450th anniversary of the Birth of St Francis de Sales in 2017

Dioceses, parishes and schools around the world are celebrated this anniversary in special ways Since St. Francis de Sales is one of the most important saints in the history of the Church,

That its importance rests not only on the depth of its holiness, but also on the spiritual legacy it left to the faithful of the following generations, That his writings, in particular the Introduction to the devout life and the Treatise on the Love of God, are great spiritual treasures that must be disseminated to the clergy, religious and faithful of the human being . May the Lord and his Blessed Mother, whom St. Francis de Sales faithfully serve, bless all those who seek closer ties with heaven under the guidance of St. Francis de Sales, leading a devout life, confident in the love of God who makes them live.

Message from the Principal

Dear Desalites,
The year 2017 is special for every Desalite as the college commemorates the 450th Birth Anniversary of St Francis de Sales, the patron of our college. He always guided people to live their life to the full by his wonderful words “Be what you are and be at its best”. At this juncture we the Desalites are aware of the ‘Fountain pen campaign’ Where in all of us pledge to avoid use of ball-pens and use only Ink pen to help mother earth carry less plastic in her womb. Going a step further I would like to request all to use only pencil to take down notes and use only ink pen to write your exams. Hope this little effort will make the earth what it is and be

Message from the HOD

The festive season has been in motion for some time now. While the message of Dussehra is the victory of good over evil and the success of truth over lies, the message of Diwali is the victory of light over darkness, knowledge over ignorance, good over evil, and hope over despair. As I set to pen this message, I am also reminded of the words of Mahatma Gandhi, Father of

the Nation, “There are seven things that will destroy us:

Wealth without Work;
Pleasure without Conscience;
Knowledge without Character;
Religion without Sacrifice;
Politics without Principle;
Science without Humanity;
and Business without Ethics.”

My dear students, we must always remember the relevance of the festivals that we celebrate and the words of wisdom of our great leaders.
