Scholarship Policy

St. Francis de Sales college was established primarily to support and educate the needy students from the rural background. With that motto, the college has established a Scholarship Cell for the students which will financially support them to graduate and live a better life.

Policy Statement:

St. Francis de Sales College will provide scholarships to the deserving students under various scholarships provided by the management to motivate and encourage them.

1. The management of St. Francis de Sales College will be in-charge of the Scholarship Policy.
2. Any changes in the policy have to be approved by the Governing Council and the same body will be in charge of the approval of new scholarships provided to the students.
3. The Principal will be the approving authority for every scholarship provided.
4. A Scholarship Cell will be in-charge of the selection and for the dispersal of the scholarship by the management.
5. The Administrative Office will be in-charge of the government Scholarships provided to the students.
6. The selection of scholarship awards will be based on the required criteria for the scholarship provided.
7. The scholarships will be provided only to the students of St. Francis de Sales College, Bangalore.
