Department of Political Science Internship Guidelines

1. Core Learning Outcomes

As a result of the internship experience students will be able to:

- 1. Apply appropriate workplace behaviors in a professional setting.
- 2. Demonstrate content knowledge appropriate to job assignment.
- 3. Exhibit evidence of increased content knowledge gained through practical experience.
- Describe the nature and function of the organization in which the internship experiencetakes place.
- 5. Explain how the internship placement site fits into their broader career field.
- Evaluate the internship experience in terms of their personal, educational and career needs.

2. Specific Learning Outcomes

Specific Learning Outcomes will be determined jointly with the student's Faculty Internship Advisor and Worksite Supervisor. Specific Learning Outcomes are linked individually to the Core Learning Outcomes and must describe the tasks that the student will perform and learn on the job. They must state specifically what the student will be able to do at the end of thework experience as a result of the internship placement.

Some outcomes will represent reinforcement activities. They will provide the opportunity to perform and to reinforce familiar skills in the student's new working environment. Others will represent activities which are unfamiliar and which will provide opportunities to acquire newsets of skills.

3. Course Description

Provides the student with an opportunity to gain knowledge and skills from a planned work experience in the student's chosen career field. In addition to meeting Core Learning Outcomes, jointly developed Specific Learning Outcomes are selected and evaluated by the Faculty Internship Advisor, Worksite Supervisor, and the student. Internship placements are directly related to the student's program of study and provide learning experiences not available in the classroom setting. Internships provide entry-level, career-related experience, and workplace competencies that employer's value when hiring new employees. Internships may also be used as an opportunity to explore career fields. Students must meet with the Internship & Apprenticeship Coordinator prior to registering.

The purpose of the Internship Program is to provide each student practical experience in a standard work environment. The Internship Coordinator and Faculty Internship

Advisor will assist students in making the job a valuable and productive experience. Success in this job will help ensure development of skills necessary for a lasting and rewarding career in the future.

4. Eligibility requirements for Internship Education

As prescribed by the respective Universities / BoS

5. Course Requirements

- 1. Students must schedule an orientation with the Internship & Apprenticeship Coordinator and meet with his/her Faculty Internship Advisor/HoD to determine eligibility and discuss internship opportunities. For Paralegal and Human Services programs, students must meet with their Faculty Advisor prior to meeting with the Internship & Apprenticeship Coordinator.
- 2. Students must secure their own internship employer.
- 3. Students must complete all the admission formalities for Internship Education prior to the commencement of their internship experience.
- 4. The student, Worksite Supervisor, HoD/Principal, and the Internship &Apprenticeship Coordinator must sign the Memorandum of Understanding (MOU) between the employer, student and college. The signed MOU must be submitted to the Internship & Apprenticeship Coordinator in order to register for the class.
- 5. The internship shall be paid or unpaid.

6. Additional Requirements

- 1. Complete all assignments in the Internship Education Student Workbook.
- 2. Achieve the Core Learning Outcomes.
- 3. Meet the Specific Program Outcomes.
- 4. Students must remain at the internship worksite placement for the agreed upon period for which they are registered. If there are significant changes in the work schedule, in the job expectations, or the working conditions, students are required to contact their Faculty Internship Advisor.

7. Attendance Policy

- 1. Students are required to report to work on time and according to the requirements of the student's individualized work schedule.
- 2. Students are expected to conform to all attendance policies established by the employer and must notify the Worksite Supervisor and Faculty Internship Advisor in the event of absencefrom work.
- 3. When the employer is open for business on college holidays, the student is expected toreport to work as scheduled.

8. All internships shall have the following requirements

1. Internships must be arranged one semester in advance. Given work requirement

variation in internships, it may be necessary to earn academic credit in the semester following the work of the internship.

- 2. The Internship Coordinator/Faculty will assist students in choosing the area of Internship.
- 3. The workplace Internship &Apprenticeship Coordinator, in consultation with the faculty member, will provide a memo detailing workplace expectations, including the work to be performed; dress code; and the time frame for the work must be received before the Faculty Advisor can agree to supervise the internship.
- 4. The supervising faculty member (Faculty Advisor) will maintain contact with the workplace Internship & Apprenticeship Coordinator, throughout the internship to assess the satisfaction of the supervisor and to assure the quality of the internship experience for the student.
- Workplace supervisors (Internship & Apprenticeship Coordinator) will be requested to complete evaluations of the student following the internship. These evaluations will not be used to calculate the grade of the student.
- 6. All interns will submit a weekly journal to the Faculty Advisor. The journal will detail the work the student has completed that week and will analyze the work in terms of its illumination of principles, concepts and/or methods learned in Political Science.
- All interns will complete a research paper which examines the literature relevant to the organization and work conducted during the internship and analyzes the work of the internship in that context.

9. Evaluation:

As prescribed by the respective Universities / BoS
