with the faculty and eSTORES team departed from college at 9:30 am and reached Bilva Kraft industry at 11:00am. On arrival, we were welcomed by the factory Coordinator.

Then the chairman Mr. Karthik introduced the company to the students and prepared for the tour of the facility. The factory tour began at 11:15 am. Firstly the HR briefed us about Bilva Kraft, he spoke about the history of the company, how it started and gave the complete business overview. Then we were taken to see the process involved in the making of the carton boxes. We were shown how the different materials used in the manufacturing of the boxes are brought together and compressed to put them together. We were then shown how the wood is burned. Next we were taken to the next to the top floor, where they customize the cartons as per the customers request. They also showed us how the finished cartons look. The students were taken to the conference room and further explained the process and all their doubts were cleared. We completed the visit by 12:45 pm and the students went to Art of Living.

Post we departed to college.

OUTCOME OF THE ACTIVITY:

Students learnt about zero waste management. And also the optimum utilization of resources. They also got practical exposure how the industry works.
