Ethnicity should enrich us, it should make us unique people in our diversity and not be used to divide us. – Ellen Johnson Sirleaf

SAMSKRUTHI – 2024, the ethnic celebration at SFS College was held on 17 April 2024. Students came together to spend this vibrant evening by celebrating the ethnic culture and diversity of India. SFS College has a group of students hailing from many different states. The students were dressed to showcase the culture and tradition of their respective. The girls were adorned with beautiful, dazzling sarees, representing the south Indian culture. Many were dressed in Ghagras and cholis, lehengas,

projecting the style of the North. Boys were dressed in a variety of dresses like dothi, sherwanis, blazers and trousers etc.

The programme started by the choir rendering a soulful prayer, followed by the welcome dance by the college dance team. Rev.Dr.Binu, the principal, addressed the students and mentioned that it was a memorable evening and many more such celebrations will be organized in the days to come.

Mr.Chethan Naik, a popular playback singer from the Kannada film industry was the guest of honour for this evening. He kept the students soaring high with enthusiasm to his beautiful, peppy numbers. The singer transformed the crowd to be lively and energetic. The crowd swayed to his songs with their torch lights, showing joy and excitement. This was followed by a fashion show from the students. The well choreographed show with the lightings and the background score was just spectacular. The ethnic and western fusion was aptly designed in the themes and costumes of the show. To wrap the evening's celebration, the college had organized DJ music. The students and faculty exhausted their energy and vigour by dancing to their heart's content. The evening closed with jubilation and students were left wanting for more of fun and frolic.
