for improving agricultural and horticultural productivity of tribal people to create a scientific thinking among students from the department of BA.

BA ,Humanities Visited tribal visit for V-SEM BA students on 23rd of December 2023, Saturday. We meet with the people and we collected many information like what kind of are there in particular tribal area, occupation, main income ,Education ,community, Transport, Health centres Etc. This tribal visit is improving one's knowledge and ability in patent. participated in this event.

The outcome of the program:

- *Training helps to prevent arbitrary or discriminatory behavior that results in physical or moral violence against people.
- *We design internal training plans to in still knowledge about human rights in the private security teams, and we give them the tools they need to carry out the plans.
- *Unless people are aware about their human rights, they cannot protect their rights or seek redressal when it is violated.
- *The language of Human Rights Awareness literature, thus, should be simple enough to be understood by common people.
