Good

Organization is well.

Super

Very good

Boost up candidates that they work long time in an organisation. Most of the candidates that plan to work shift time

Very cooperative volunteers and things went smooth

Keep the good work.

Candidates Communication should be improve and industrial knowledge

.....

Compared to my last visit this time the response was very good

Good but alumini should be invited

Candidates are not good enough in communication, not well prepared for interviews

This is our first job fare with SFS college we had an issue where the process details was mentioned wrong so we couldn't get a proper candidates

Need to improve Hindi language

NA

Nil

Well organised

Looking for better crowd

More assistance was required like wifi & charging ports

Improve campus drive

Well organised

Students need to attend interview with out fear and confusion

Nothing specific, but well organized

I need candidate resume should be more professional

Very well organized

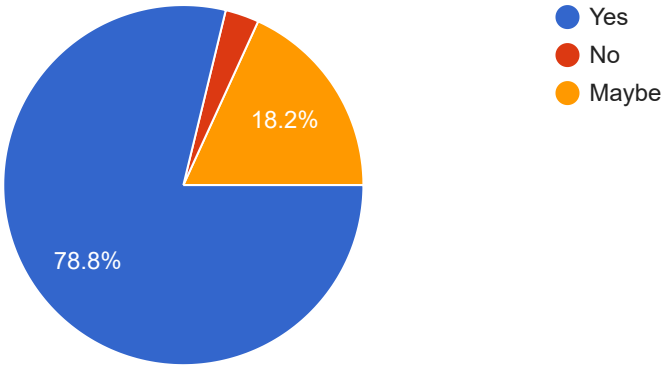

Na

Do you wish to Collaborate with SFS College Placement Cell ?

Digital marketing

Thank you

Agreed

Average

SAP courses to be implemented for all students

Very good required more campus interviews for the jobs

Little more should be added

Not bad

Certificate courses will increase confidence while getting jobs in future

..

Add some certificate course for student

.....

don't have idea

Courses on Graphics, animation and communication.

Useful for our skills

It is useful

It's good to go with add on course

Wts use at last movement

C++ and Java

Course relavent to the job must be provided

Should have to provide proper and usfull information and certificate

Should be useful in future

None

No proper guidance in getting certificate even after completing Course.Try to help students to get their certificate after completion of course

It is nice to have certificate courses because it helps the students to learn more.

A course on basic life skill(personal or professional) that a student will need and prepare them for a life after graduation would have been great.

SAP

If it is helpful to the students means go head

May be the instruction should work with the rules

Its good for our up coming studies and job too

Issue certificates fast please don't delay... please conduct certificate courses which are highly eligible and useful to our future

It will help the student of their better future..

Explain more information for all subjects

Nop

Still more certificate courses can be added.

Python

As Student of BCA course..we should be pushed more towards learning industry grade skills like learning a certain platform example JSP or Python(Django) from early semesters so we develop an understanding on how various systems are made.

To match the current reality

It's not so helpful for us ,we can't still certificate courses which help us in future Tally course in college

More concepts to be added.

Satisfactory

Courses or workshops related to psychology

Do no

It doesn't help for anything, just an extra burden to attend for extra hours in college. Anyways we have 7-8 lectures and on top of that certificate courses cause burden.

Cloud

Courses which is not subject oriented, but which helps to improve skills and to get relax; like sign language, fashion designing, handwork, etc

Reference

Course on knowledge of money, and financial freedom

May be

No suggestion

Marketing techniques

I suggest business analytics and finance operations.

Computer courses can be introduced.

It will be helpful for other people who are going to study

Kindly requesting you to give the necessary course which will encourage the student to develop skills in the job perspective after the graduation.

No idea

NA

Ethical Hacking

Need little improvement in all section...

No comments 😊

Communication skills

Ntg

It's helpful to students for knowledge and future

Rules are so strict in college

For an individual to showcase his or her competency, commitment and build expertise in his or her professional subject area.

Yes it will useful

Better or more options of certificate course

Bring filmmaking workshop

About developing technologies

More importance can be given on implementing the courses that are relevant to the outside world

Need more relavent and related courses

I'm happy what is gaven to me .and Im so glad..I got placement in college ..

Course to develop aptitude knowledge.

Good

....

Basic knowledge of all particular department subject

Logistics and supply chain management

If there's course are offline we can gain better knowledge

Everything is fine!

It would be helpful if we get the course we want

Its good through which students learns to explore opportunities.
