<b>Target Audience</b>	General public
<b>Place of visit/ details of Industrial Visit place (if applicable):</b>	NA
<b>Event Coordinator</b>	Dakshina U Kanthy
<b>Resource Person &amp; details</b>	NA

### REPORT:

Following the Global Polio Eradication Initiative of the World Health Organization, Government of India conducts the Pulse Polio Immunization drive periodically aimed towards eradication of polio in our country. This year, the polio vaccination camp was held on 3, 4 and 5 of March 2024. The Rotaract members of SFS College were proud to be part of the pulse polio vaccination camp held at Bommanahalli Public Health Centre on the 3<sup>rd</sup> of March 2024. 16 students were part of this social service initiative conducted in association with Rotary Bangalore Health City. Volunteers engaged in various activities like inculcating awareness about polio immunization to families, administering polio drops and interacting with parents and children. The student volunteers were ably supported by the health team from Bommanhalli PHC under the leadership of Dr. Naveen.

### **Learning Outcome:**

The campaign helped at inculcating social awareness among young student volunteers. This awareness campaign worked as a platform to show student's commitment to community

service initiatives. The students also could be a part of a large social initiative and could raise the general public awareness about the importance of immunizing children.
