The objective of the program:

The objective of the Outreach program is to provide service to the society and help those in need. Outreach program helps the students to understand their responsibility in society.

It helps students to be a better person and also learnt about the true face of life

REPORT:

On 4th December 2023 students from the classes of B.Com were taken to visit Fame India near Jayanagar accompanied by Prof. Deepa Shree P. The Beneficiaries of the Fame India are basically Children of neuro disabled and they are benefited with facilities of learning the lessons of life such as social behaviour, emotions and day to day activities like cooking, ironing, colours, shopping etc..... The organization teaches them how to live in the society independently without depending on others and do their own daily routine work on their own.

On the day of visit, the students left at 9.00 AM and reached the institution by 10.30 AM. The coordinators of the institution presented the orientation about the problems of those beneficiaries and social activities done by the institutions and do's and don'ts that the students must follow during the visit.

After the orientation given by the institute the students are divided into different groups to visit different departments of the institution like DAC, RC CFC. The students then, interacted with the children's and observed their activities like cooking, ironing, handmade crafts, painting, colouring and drawing. The children's are also taught about numbers, alphabets, basic communication, music, shopping and so on.

The Students really enjoyed themselves and were so happy to interact with children's and spent a quality time in learning.

The outcome of the program:

The visit was indeed a great success as students and the children of Fame India were very glad. The students also learnt the lessons of life such as being patient, using the opportunities given, and also learnt how beautiful and important life is. The students really had an amazing experience visiting the institution and interacting with children's.
