Event Coordinator	Dhanujakshi A

The objective of the Program:

The primary objective of the program visit to the orphanage was to assess the living conditions, well-band support system in place of children. Additionally, the visit aimed to understand challenges faced by the orphanage and explore opportunities for collaboration, fundraising, or volunteer involvement to enhance the overall quality of care provided to the children. It was conducted on 13th dec 2023 , 18 students has participated in this extension activity.

Mental Retardation is a condition in which the intelligence function is under average, which began during the developmental period. Children with mentally retarded have limited mental function, communication skills, ability to maintain themselves and social skills. These conditions impact the mothe's they responsible to train children's ability to be independent.

Sneha Bharathi education society mental retardation children residential school has taken a step to enhance the ability to mental retardation children, they are teaching from basic works, this education society has taking care of children from 6 years to 25 years old. Complete responsibility was taken by this society, they are providing the teaching aids to their children. This education society doing all the work of children with hesitating anything and teachers also taking care of them without any hesitate.

Our students also happy to see them and our students has thought some basic information and conducted some games for those children, our students have conducted some cultural program for their children to entertain the children, they are very happy to learn many things from our students with love and care. From our college we provided some useful things to them like toothpaste, toothbrush etc. and some snacks, they were very happy for this.

The outcome of the program:

This extension activity helps our students to understand the mental ability of the children, mental retardation, children capacity and capability and thinking capacity of the children. Students learnt many things from this activity like awareness about mental retardation, their working conditions, their lifestyle, their ability to understand the world scenario.
