| <b>Resource Person &amp; details</b>  | NA  |

### REPORT:

A flower show at Lal Bagh, Bengaluru is conducted every year commemorating the Republic day. This year, Rotaract club members of SFS College had the privilege to be a part of the flower show. The district Rotaract team in association with the Rotaract club members of our college were part of an awareness campaign on plastic usage and Swacch Bharat campaign. About 12 volunteers from our college participated in the campaign run by the district rotaract team. Students engaged in collection of plastic waste, segregating it and took care of the general upkeep of the flower show premises. They also interacted with the visitors of the flower show and spoke to them about the importance of minimizing the use of plastics in gatherings. The students engaged in a fun activity where they were asked to come up with a creative idea using the plastics that they collected over the time they spent there. Several other non-profit organisations were also part of this social service initiative. As a token of appreciation, students were provided with certificates for the services rendered.

**Learning Outcome:**

The campaign helped at inculcating social awareness among young student volunteers. This awareness campaign worked as a platform to show student's commitment to community service and environmental awareness. The students also could be a part of a large social initiative and made the general public aware about the importance of minimizing the usage of plastics at places where large number of people gather.
