Introduction:

PG Dept. of Mathematics have planned to collaborate with UG Science Department and executed t

he workshop, titled as "Entrepreneurship skill, Attitude & Behaviour Development" on the date 20/01/2023(Friday) and the timing is 8.10 am to 9.15 am. The Resource person for this program is Assistant Professor. Johnson, Department of Commerce, SFS College, Bangalore.

The outcome of the program:

We believe that employing these "entrepreneurial" attitudes and behaviors could indeed empower educators in various positions and diverse contexts to more effectively pursue change and, ultimately, fulfill their mission and vision. Developing an awareness of these practices, and their potential value, is a first and perhaps most important step—and we hope that the findings reported in this article will have contributed to achieving this awareness. At the same time, it will also be important to continue to figure out effective ways to enable both prospective and current educators to learn how to best use these complex skills, adding to the principles and considerations
