## OBJECTIVE:

- The main goal of "Book Talk" activity is to share information from their favorite books in various Multi-languages, so that students' comprehension skill, Speaking skills, creative ideas etc, was structured well.
- To motivate the students to read more general books.
- To develop speaking skills amongst students
- To help the students to imbibe moral and ethical values in their life.
- To bring change in attitude of students.
- To make optimum utilization of library books.

## INTRODUCTION:

The library committee has organised a "Book Talk Activity" on 29, July 2022. The participants were both PG and UG students from various courses. The students actively took part out of their interest. Choice was given for them to come out with their own favourite book to present the synopsis for 3 minutes speech of that particular book. The active participant was a student from M.com, B.com, B.com(Voc), BBA(Aviation) and the main \*highlight\* was one of the students presented the book talk which was from the "REFLECTION CAPSULES" book which was written by our Vice Principal-Fr.Jijo Jose.

The Book Talk program positively impacted the minds of students. The participants explored new horizons of knowledge, realized their capabilities to prepare research articles and also improved their confidence after giving presentations in front of the other students. On interaction among the faculties, it was viewed that Book Talk helps to promote reading, writing and research. The beauty and taste of knowledge gets propagated. Hence it was strongly viewed that this program needs higher level exertion.

## OUTCOME:

- It persuades others also to read the book.
- It aims to share the love of books & spread awareness.
- This will help the students to get to know some must reads.
- It leads to inculcate reading habit.
- It helps to develop the presentation skills.
- This gave an opportunity to read and develop their self confidence.
- Finally, it promotes the Research culture.
