Report on Career Counselling Session on Civil Services

Date: 12th Jan, 2019

Venue: Auditorium

Conducted By: Mr. Ravi Kiran- ALPHA TECH

Organised by: Placement Cell

A Career Counselling session on "How to get prepared for Civil Service Exam" was conducted for the students of PG, B.Com, BBA, BCA, BSc and BA by ALPHA TECH.

The session apprised the students on the importance of Civil Services Examination (CSE). UPSC exams i.e. a nationwide competitive examination CSE is conducted for graduates by the Union Public Service Commission (UPSC) for recruitment to Civil Services in Government of India including Indian Administrative Service (IAS), Indian Foreign Service (IFS), Indian Police Service (IPS) and Indian Revenue Service (IRS). It is attempted by lakhs of people across the country every year. However, only a tiny fraction of them are able to fulfil their IAS ambitions. The IAS exam is not only challenging in terms of the length of its syllabus, but it is also daunting because of its highly unpredictable nature.

The session shared the information about Indian Civil Service and on how it serves as the backbone of India and carries great respect and responsibilities. India's best brains vie for entry into the Indian Civil Services as officers.

Even though corporate jobs may offer the best of salaries and perks, a majority of youngsters and their parents still crave entry to the prestigious Indian Civil Services held by the UPSC. The very fact that a big share of every year's top posts in the civil services exams are bagged by professionals from various streams, shows that the IAS is still the dream job for many. The session also illuminated on various aspects of how to approach to the examinations. The UPSC exam cannot be cracked by just being a bookworm. The last stage in the UPSC exam
