| Event Coordinator | Gulla keerthi, Victoria Reena, & Mangayarkarasi.N, Assistant Professor . |

Skill development course on Career and Personal enhancement skill building was conducted for the Final Year students of the Department of Business Administration. The course was initiated by Pawandeep kaur & Sathvika from III-Semester B Section.

The Course was planned for 3 hours including the lecturing sessions, assignments and assessments. The sessions were held during the 6th hour every Thursday between 30th April and 9th June, 2023. Students were given the course materials for taking up the assignment and assessment given.

Objective of the Program

- To help students create their own resume.
- To make students skilled interview skills.
- To help students present professional during their interviews.

During the session it was explained to the students about the importance of Grooming and skill building . Students were able to understand the objective of the course as it is compulsory for them to attend the sessions because they have to prepare resumes for their interview and how to present them in an interview.

The Course helped the students to prepare their own resumes for their interview for the job or for

higher education purpose.

The syllabus of the Course Consisted of the Meaning, Usage, contents of resume, and preparation on communication skill.

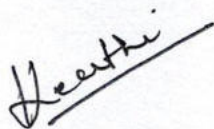

The Objective of the course was to help all the final year BBA students to be familiar with preparation for their carrier growth.

Students had a great knowledge sharing during the session and the course has helped them to be confident in their presentation work. During the hands-on session each student prepared a resume with qualification ,extra curricular activities and other important features relevant to the topics they had chosen for assignment and assessment. Overall the course has helped to build the technical skill of each student of final year BBA .

The Outcome of the Program

To conclude the session though distinct in its approach had a common objective – to help students understand their competencies which can then be mapped to jobs that are available in the market. The programme received extremely positive feedback and the College intends to provide such opportunities to students in the future as well.
