

ABOUT THE BOOK

CHRISTMAS GOODIES is a 25-day reflection on various elements that are commonly associated with Christmas.

The book helps us know the significance of the elements and understand what they mean to us. With short and practical reflective points on each one of them, Fr Jijo Jose Manjackal MSFS seeks to help us not get lost in the glamour and glitz of this Sacred Season that the Church offers; instead, grow deeper in the Love of the Lord and thus make December 25, not merely a calendar event - rather an experience of the Lord being born in our hearts! He also gives relevant resolutions that we can make and a short prayer to make it more personal.

This is a prayerful preparation for the Great Feast of Christmas – where we celebrate EMMANUEL – God with us!
