Gratitude is the attitude of thanks giving. The resource person of the day with his immense knowledge sparked the light of gratitude in the mind of students and it was indeed a great session. The session was very much useful for the students in understanding and learning about the positive psychology aspects of understanding the importance of being gratitude and how it's strongly and consistently associated with greater happiness. Gratitude helps people feel more positive emotions, relish good experiences, improve their health, deal with adversity, and build strong relationships.

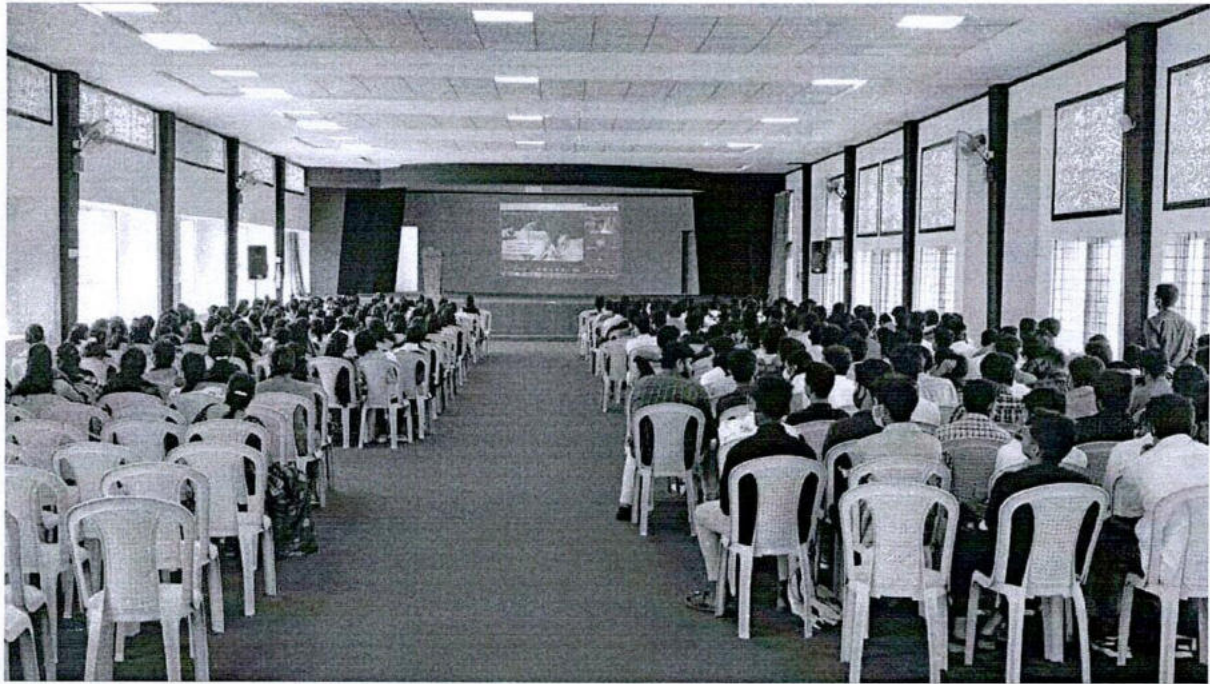

The second session was conducted on 29th October, topic on "Career Opportunities on VUCA World" for final year students. This session was started by Dr.Swaminath with the above quote. This session is an experiential learning-based program for students to understand the lot of career opportunity after BCOM and how to become motivational person or how to invest money and gain money – these ideas are for young entrepreneur and they understand to explore the ideas as a part of Experiential Learning was conducted as Infinity program for V semester All the B. Com students, to create awareness about Career Opportunity.

On the third day the resource person Dr. Senthil Kumar A , has started the session with great enthusiasm and the session is an experimental learning based program. He gave brief introduction regarding what is technology, how it works, and what the need of adopting latest technologies in business is and also how adaptation of technologies will reduce the cost and increases the profit level of the company.

Outcome of the activity:

These sessions were very helpful and enriching for students in various fields. The students have learnt and upgraded with emerging technologies in business, and technologies which are very much necessary to know and learn in today's life. The session was very interactive and lively, Knowing the latest technologies and its importance is endeavoring future entrepreneurs. After the session the students are enlightened with many emerging trends in business. They have learnt the things which are working based on internet.
