Faculty Development Programme

Date: 2.7.19

Venue: Seminar Hall

Organized by: SFS College and Kahan Technology

Resource Person: Mr.Suman Nandy

- The teaching faculty and administrative staff of SFS College attended a FDP on 2 July 2019. The resource person of this programme was Mr.Suman Nandy from Kahan Technology. In this day long Faculty development programme, he gave an insight about the updated Campus Technology software.

Being in the last year of the assessment period, there is a utmost need for a very comprehensive software for the purpose of documentation. Mr.Suman Nandy explained how Campus Technology facilitates faculty members in preserving soft copies of the documents. The various tabs in the software gives a clarity to the faculty members, both teaching and non teaching about uploading the documents. The staff members were also oriented about the schedule Kahan technology offers throughout the academic year. They also offer many enrichment courses for staff members to upgrade themselves. He explained that students and faculty members would find this system very user friendly and be able to learn more in a short span of time. He also demonstrated about the usage of this technology to the staff members.

He further explained about the schedule CT had planned for the academic year with regard to skill development programmes, certificate courses and other activities they intended to conduct for the college students. Speaking about their schedule, he elaborated on how these courses will build and enhance the skills of students. The programme ended with a valedictory address by Rev.Fr.Roy P.K and in his talk he urged the staff members to familiarize themselves with the software and start using it at the earliest.
