The objective of the Program:

A LOGO has a major impact on how your customers will perceive your brand. So naturally, we want our logo to be outstanding. From defining your brand's identity and understanding what makes a great logo, to making the right design choices and navigating the design process. Your logo will have a huge impact on the first impression your business is going to make: It will give your customers information about your brand and let them know if it's right for them. Because your logo is such an essential part of your brand, you want to make sure it's done well. All your branding materials will have your logo on them. Logo making computation was conducted in the Department of PG mathematics Department on 12th of July 2023 at 02:00 pm to 03:00 pm, all the students have enthusiastically participated.
