This workshop was conducted to give an insight to students on the A- Z requirements of a start-up. St Francis de sales college in collaboration with Incubation and Aspire Cell and Rotaract Club SFS College Rubicon organised a One Day workshop on A-Z of start ups.

The Resource Person spoke on the following topics

1. Key facts about start-ups
2. Generation of an idea to start a start up
3. What makes start-ups successful?
4. The Entrepreneurs mindset
5. Stages of setting up a start up
6. The various business functions

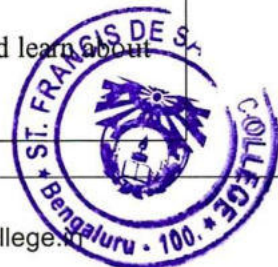

Highlights of the Training Program

- Trainer and trainees got to know each other
- Students got a chance to share their ideas with the resource person and learn about the problems in the industry.
- Students got to express their views with the resource person

- Expectations from the market and how the requirements can be met
- Students understood the different industries, work environment, typical responsibilities and key competencies to be developed for a start-up
- Understand the need for goal-setting
- Enlist barriers to goal setting
- Set a goal for oneself
- Prepare an action plan to achieve the set goal
- Identify challenges while achieving a goal
- This helps individuals to understand their competencies, which can then be mapped to jobs that are available in the market.
- To understand the progress made from the first day- generation of idea till the implementation of the idea

To conclude the workshop though distinct in its approach had a common objective – to help students understand their competencies which can then be mapped to the requirements of the market. The programme received extremely positive feedback and the College intends to provide such opportunities to students in the future as well.
