Clean and Green Campus Initiatives – Action Taken Report and Achievement Report

Desalite Nature's Club - Introduction

It is said that nature is the best teacher. It teaches us survival of the fittest and nourishes us in all aspects. Nature has endowed us with incredible assets like - biodiversity and natural resources. The conservation of these assets has become the need of the time. It's our responsibility to leave this planet in better shape for future generations than we found it.

On this call of nature, Desalite Nature's Club is formed in St. Francis de Sales College. DNC is indeed a dedicated program to create awareness among the students, faculty, and staff about nature and related issues. DNC is the convergence of nature lovers, from various departments to promote, monitor, and operate the environmental and sustainable activities in society.

Desalite Natures Club - Members

Desalite Nature's Club comprises a group of faculties and students who work together to promote environmental awareness and green initiatives in the college.

Desalite Natures Club - Objectives

- The Club seeks to enlighten the students on the importance of the protection of Nature through seminars, workshops, and other activities.
- The Club especially focuses on the aspect of "Swatch Bharat" and "Youth for Green" and how these slogans can be effectively implemented on the campus.
- The Club will also venture into the possibilities of tying up with other organizations that work for the protection of the environment.
