The Department of Humanities in collaboration with Research and IP Cell organized SEMINAR- One Week Series from 25-10-2021 till 30-10-2021. The Seminar series focuses on nurturing the research culture among the under graduate students of St Francis De Sales College.

The major objectives of the guest lecture series are as follows:

- Students use economic models in domestic and global contexts to analyse individual decision making, how prices and quantities are determined in product and factor markets, and macroeconomic outcomes.
- Students understand and analyse the performance and functioning of the government, markets and institutions in the context of social and economic problems.
- Students tend to think critically about economic models, evaluating their assumptions and implications.
- Students also understand to use data to describe the relationships among variables in order to analyse economic issues.
- Students will communicate economic thought and analysis in both written and oral contexts to varied audiences.

Dr. Rama Krishna, Principal, Govt First Grade College, Anekal, Bangalore. He addressed the students with varied information in the field of Economics. His major focus was on the importance of Economics and how can we individuals utilize the same. He had explained the scenario of economists in today's world. He had inspired students with his talk and gave a lot of inputs. His words of wisdom encouraged students to gain lots of interests in the field. He enriched the students with 10 major points regarding the utility and the scope of economics.

Students had their own concerns and doubts regarding the field. Dr. Rama Krishna also introduced the NEP concepts to the students.

The session was concluded by Vote of Thanks delivered by Desalite Priyanka Kumari.
