On 27th July 2022 the Entrepreneurship and Incubation Cell of St. Francis De Sales College, Bangalore organized a webinar on ' Achieving Value Proportion on Fit and Business Fit as a one day online webinar. The resource person for this online webinar was Prof. Chandrakala M from Kristhu Jayanthi College, Bangalore.

Prof. Chandrakala is working as assistant professor in Kristhu Jayanthi college, Bangalore. She has done M.com and MBA, Post graduate diploma and currently pursuing Ph.D. in Vivesvaraya Technological University. Prof. Chandrakala has got over 12 years of experience as faculty in colleges in Bangalore University in commerce and management stream. She has authored the book "International Logistics and Supply" published by INSC International Publisher, also published around 12 papers in renowned journals and conducted many seminars. We are lucky to have such an eminent person as the resource person.

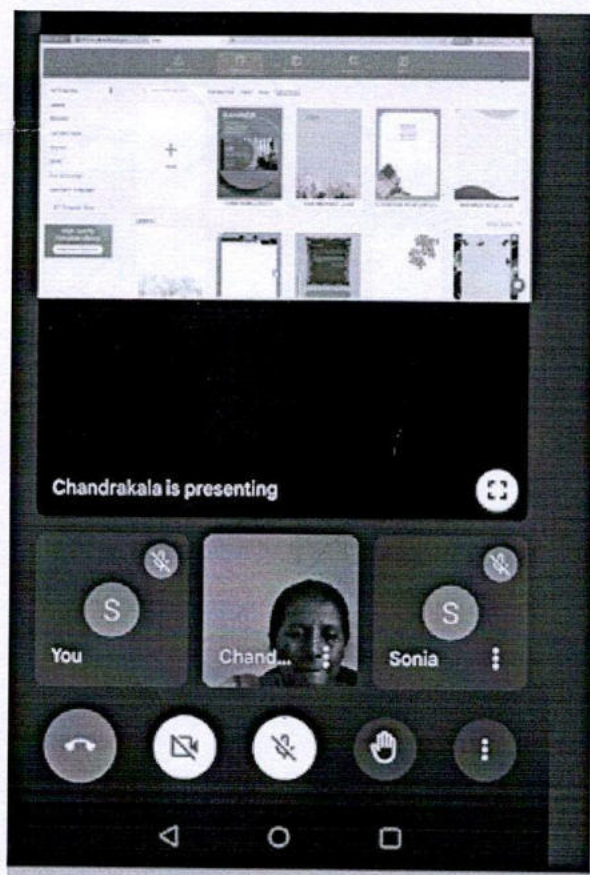

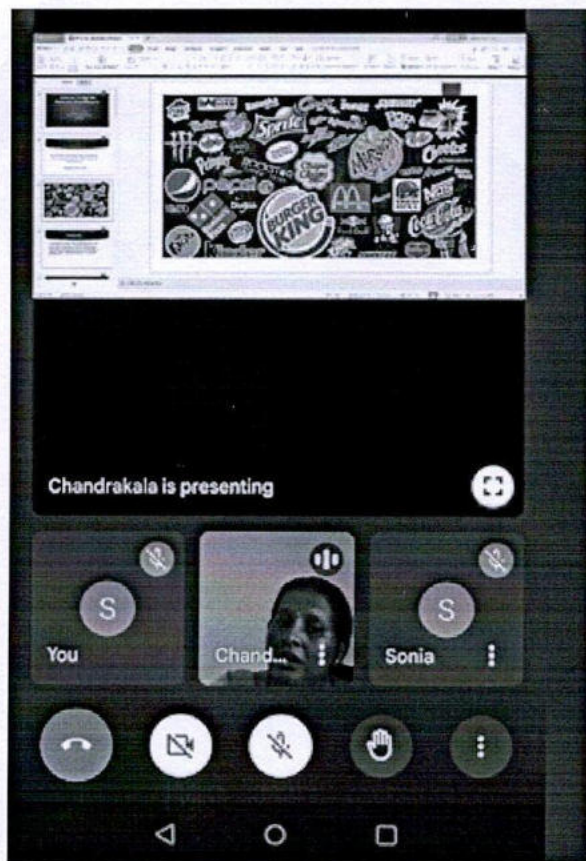

The webinar focused on the importance of products and their development and about products and service to run a successful business. The Value Proposition Canvas is a framework which can help ensure that a product or service is positioned around what the customer values and needs. The Value Proposition Canvas can be used when there is need to refine an existing product or service offering or where a new offering is being developed from scratch. The webinar was very informative and gave an awareness on the running a successful customer centric business.
