

The Annual Quality Assurance Report (AQAR) of the IQAC

ST FRANCIS DE SALES COLLEGE

The Annual Quality Assurance Report (AQAR) of the IQAC

All NAAC accredited institutions will submit an annual self-reviewed progress report to NAAC, through its IQAC. The report is to detail the tangible results achieved in key areas, specifically identified by the institutional IQAC at the beginning of the academic year. The AQAR will detail the results of the perspective plan worked out by the IQAC. *(Note: The AQAR period would be the Academic Year. For example, July 1, 2012 to June 30, 2013)*

***2.12 How does IQAC Contribute/Monitor/Evaluate the Teaching & Learning processes :**

- Through Bench Marking
- Through Students Performance
- Through Feedback System
- The IQAC periodically conducts sessions to explore avenues to enhance teacher effectiveness through professional skill development training programmes.
- The College encourages research, publications, paper presentations and participation in international/national/regional workshops, conferences and symposia. Senior faculty and administrative heads discuss future plans of the institution and prepare a road map for quality assurance and enhancement.
- Faculty members are motivated to design contemporary, skill based and value-added courses. Rigorous review of the functioning of the various units of the College is a part of quality enhancement/sustenance measures such as:
- Periodical review of the teaching-learning process at the end of each semester – Feedback from students on teaching. And performance based appraisal system, giving staff to appraise themselves before it is been reviewed .
- IQAC in its meeting with faculty members advises them to convene Annual Plan Meeting at the beginning of each session and weekly , assign syllabus to the departmental teachers, prepare time schedule for term tests & to convene term review meetings. IQAC also suggests the departments to conduct , student seminars , department seminars, FDP's, educational tours & excursions. In this way IQAC monitors and evaluates the teaching & learning processes of the college.

3. Research, Consultancy and Extension

3.1 Initiatives of the IQAC in Sensitizing/Promoting Research Climate in the institution

A Seminar is a form of academic instruction, either at an academic institution or offered by a commercial or professional organization. It has the function of bringing together small groups for recurring meeting, focussing each time on subject, at ST.FRANCIS DE SALES every department BA, BSc, BCA, B.Com and BBA faculty have presented papers on various research and conceptual topics.

Researches for students are usually associated only with the post-graduation level. But ST.FRANCIS DE SALES has taken a bold step by organizing National Seminars for the students at the under-graduate level. Another unique feature was that 4 national seminars – under the departments of BA, BSc and BCA, B.Com and BBA – were held simultaneously on the same day. This novel venture saw over 600 students gathering to participate and present their papers on various topics.

Department of commerce has initiated a week as guest lecture week “Infinity”

FDP- In order to be updated with the current affairs and also the new and innovative methods of teaching, faculty development programs are organised once in every semester, This is also done to boost confidence and morale among the faculty. It is done department wise or as a general one for the entire faculty.

Annexure II

7.3 Give two Best Practices of the institution (*please see the format in the NAAC Self-study Manuals*)

In order to kindle a thirst for more knowledge, ST.FRANCIS DE SALES College has introduced research for the undergraduate students as a new initiative. Final year students of 2014-2017 batch were guided regarding the research methodology and they chose sub themes from the main topic given to them. They were formed into groups of 5-6 students and asked to select a sub theme. They did review of literature, data collection, analysis of data and interpretation etc. under the guidance of their mentors. Most of them presented these papers in the National Level Student Seminar organised by the College in September, 2016 on the theme “Impact of New Foreign Policy on the Indian economy.” The groups of students also submitted a copy of their papers to the department in spiral binding. The students are also encouraged to present and publish papers in the Seminars conducted by other Departments of ST.FRANCIS DE SALES College.

In each semester, the faculty members of each department are encouraged to present and publish research papers on any relevant topic. They are also encouraged to opt for inter-disciplinary topics so as to widen their knowledge on that topic. In a semester, a particular department may either present research papers or conduct Faculty Development Program (FDP). Both are presented in

front of faculty members of all departments, a select group of interested and bright students and the management of the college.

****Provide the details in annexure (annexure need to be numbered as i, ii,iii)***

7.4 Contribution to environmental awareness / protection:

The College constantly seeks to promote the Care of Mother Earth initiative. One of the primary objectives of the institution is to sensitise students on environmental issues and to motivate them to promote ecological justice and sustainable development.

Nature Club organized an awareness program on waste management on 27th August the session was handled by Ms. Phinu Mary Jose, mainly focused on the promotion of volunteerism among the teacher-student community and the need of community based center for an eco friendly environment. An awareness program on recycling and waste segregation was organized on 2nd February, 2017. This session was addressed by Ms. Lipika, program coordinator of recycling project of ITC, Bhuvaneshwar. On 3rd March, 2017 various creative objects out of dry waste papers were exhibited by the students.

The College, on a regular basis, makes a thorough environmental assessment of the campus and implements healthy ecological practices in water and energy conservation and waste management. The three 'R's: "Reduce", "Reuse" and "Recycle" form the essence of every eco-friendly practice adopted in the College with effective Waste management eg. Making books from unused papers.
