To

The Principal,
St. Francis de Sales College,
Bengaluru-100.

Respected Sir,

Sub: Suggestions and Recommendations on curriculum

1. Relevance of curriculum in work environment

The students have displayed good talent & skill at work which emulates the curriculum in their UG courses. Many additions have been made available by students in terms of suggestions & feedback which has made the work process more stable.

2. Students knowledge beyond syllabus

Students have showcased multiple talents & skills apart from their regular college courses. This shows the students interest in learning new ideas & concepts from various sources available. The college has been a bridge for these learnings to the students.

3. Updation in latest technology

Students seems to be fast learners to the advanced and latest technology at work. This shows the additional skill of the students from SFS college in handling technical challenges.

4. Any other suggestions / comments

We would like to suggest more career counselling sessions for students.
