<b>Registration Fee</b>	NIL
<b>Course Facilitators</b>	Mamatha K. Dakshina U Kanthy. Ms. Shamala R
<b>Module 1(syllabus) (15 Hours)</b>	Introduction to Mentoring Role and Responsibilities of a Mentor Understanding the Mentor's Role Mentoring Models and Approaches Building a Mentoring Relationship Communication Skills in Mentoring

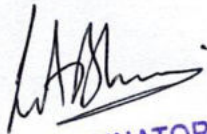

<b>Module 2 (syllabus) (15 Hours)</b>	Career Development and Skill Enhancement Mentoring in a Virtual Environment Mentoring Ethics and Professionalism Evaluating and Measuring Mentoring Success
<b>Objectives of the Course</b>	<p>Certificate course on Mentoring Skills would support students on building their leadership skills. The structure of the course details every aspect related to mentoring in workplace. Students would be highly benefitted in using mentoring skills to work with fellow mates. deal with any situation and people at workplace. improve their interpersonal skills, improve communication skills and improve their career performance. Certificate on Mentoring Skills would strengthen the resume of students, as these skills would be highly beneficial in training and improving the performance of mentees/employees in the workplace.</p>
<b>Outcome of the Course</b>	<p>The objective of the course was to enrich students with mentoring skills. The structure and delivery of the course content was effectively utilized by the students. Registered participants were benefitted by the Certificate Course. Students became aware of mentoring process. practice and benefits of mentoring for both mentor and the mentee.</p>

**Course structure:**

Mentoring skills sounds familiar. but the actual functioning of it is unknown. Postgraduate Centre initiated to offer Certificate Course on Mentoring Skills for Career for Undergraduate and Postgraduate Centre students to train them in

mentoring skills and build the strength in them to be mentors. Prol. Mamatha K. Asst. professor. Dept. of Psychology designed the syllabus and faculty of Dept. of Psychology handled the sessions. Course was designed in such a way that it would be taught in 30 hrs sessions. Both theory and practical were part of the course design. Entire program was categorized into 2 Modules. Practical was also part of the syllabus. Theoretical teaching of mentoring skills is not sufficient. practical experience will help students to relate to situations and work effectively. Hence. students were made to practice the skills taught theoretically for mentoring. The recorded sessions were to be uploaded in the google classroom. The Certificate Course on Mentoring Skills for Career has been designed to enable students to build their mentoring skills. bring awareness about the important skills required to be an efficient mentor, role of mentee to deal with them. Procedure, process, termination application of skills in different areas of workplace and practical experience of the learning.
