COLLEGE HANDBOOK

2018-19

A guide for life at SFS College

THE CREST

The pen and the open book symbolize the quest for knowledge, and serve as means to true wisdom.

The MSFS Fathers serve as guides, instructors, and motivators of proper learning, training and the development process. As light dispels darkness, the youth educated at St. Francis de Sales College become the light that catalytically transforms society by acquiring educational excellence and efficiency.

The outstretched tendrils symbolize collective human effort. The downward-slanting rays represent the blessings and graces of God Almighty raining down on everyone connected with St. Francis de Sales College.
