“Perhaps you have heard about the college executives who were discussing what they wanted to do after retirement age. One hoped to run a prison or school of correction so that the alumni would never come back to visit. Another chose to manage an orphan asylum so that he would not be plagued with advice from parents.” - **Robert H. Jackson**

“I think the success of any school can be measured by the contribution the alumni make to our national life.” - **John F. Kennedy**

Alumni meet is a gathering of the passed-out students of an institution and it is a forum where the institution feels proud on seeing its successful alumni. During this meet, the alumni community shares their experience in the outside world after their term in the College. This meet also creates a platform to identify the Colleges’ most distinguished alumni.

St. Francis de Sales College organized the Amizade, the Alumni Meet on 18 August 2018. The turnout for the meet was really good and everyone felt they were back at college. It was a grand event that brought the Alumni from different streams of life and all of them cherished those lovely moments as the day brought back memorable events from their past lives as students at St. Francis de Sales College. They had a flashback of old days as students in the College that would indeed remain in their hearts forever. They had the opportunity to meet their old friends and teachers and renew the fellowship. Fr. Tony MSFS was the Chief Guest of the meet.

A formal programme began with a prayer song by the students followed by the welcome speech by the Chairperson. The exquisite performance by the students mesmerized the

gathering.. Some of the alumni shared their experiences and how the College has helped them in shaping their lives which made everyone to relive their college and smiles filled the faces of everyone.

As part of the Alumni Association, the members of the association worked towards lending a hand in some ways possible. There was a review of the previous year's action plan and the goals achieved. They together decided to contribute books to the library. They also organized Teachers' Day celebrations for the teachers as a token of their gratitude to the faculty. They also worked around contributing towards the Government schools. As an association, they also planned to contribute the necessary equipment in the Science Lab.

The Principal in his address expressed his gratitude appreciation to the alumni for being a pillar of support to the College and for being generous in extending their help in cash and in kind. He also stated that during the last year many alumni had contributed towards conducting various programmes conducted in the College.

The meeting ended with many memories to take home and hoping to come back next year.
