

## AMIZADE 2014 -15

Amizade, the annual meet of alumni, signifies the union of old students. Amizade aims at keeping the members bonded and rejuvenates the relationship to be everlasting. Every year, the alumni meet of SFS College is usually conducted in the month of August as it also indicates the month of friendship. Amizade brings all the friends together on the 3<sup>rd</sup> Sunday in the month of August.

As discussed earlier, the Alumni Association held its meeting according to their discussion. St. Francis de Sales College organized Amizade, the Alumni meet, on 16<sup>th</sup> August 2015. It was a grand event in which the alumni meet their old friends and teachers. Everyone cherished their good old college days. It was a joyful event that brought the Alumni from different streams of life back to their alma mater. It was a cherished moment as the day brought back memorable events from their past lives as students at St. Francis De Sales college. They had a flashback of memories that would indeed remain in their hearts for ever. They had an opportunity to meet with their old friends and teachers and renew the friendship and fellowship that they shared with them.

As part of the Alumni Association, the members of the association worked towards lending a helping hand in many ways possible. There was a review of the previous year's action plan and the goals achieved. Some of the contribution of the Alumni Association were as follows:

- They organized Teachers' Day celebrations for the teachers as a token of their gratitude to them.
- Contributed necessary equipment to the Science Lab.
- Contributed library books for the SFS Evening College.
- Organised Teachers' Sports Day as well.
- Organised and delivered guest lectures on relevant topics. Motivational talks were also delivered by the alumni.

- Planned scholarship scheme to support the weak students and encourage them in their education.
- Mentoring was provided to the final year students to help them in their studies and in planning their career.
- Provided support to the final year students to plan their higher studies and career.

The college was indeed grateful to the Alumni Association for having taken the responsibility and initiative in building the college even after their term of academics in the campus ended.
