AMIZADE - Annual Report-2022-23

St. Francis De Sales College firmly believes in bonding with not just the current students but also the students who have been a part of this institution in the past. Students from all the batches wait for this day to reunite with their friends and batch mates. The Alumni meet at SFS is usually conducted on the 3rd Sunday of August every year. Being the month to celebrate friendship, this day is organized to bring back friends and cherish the days spent at SFS.

A lot of planning goes into organizing this event, Amizade and the preparation commences months ahead of the day. The staff core committee coordinates with the student council and alumni committee for the planning and execution of the day's programme. Amizade is a grand celebration where old friends get together, relive the moments spent on the campus. They visit every nook and corner of the campus and notice the changes that have happened. Students even go to the classrooms where they would have spent long days while in college.

The event starts with a formal note by the Principal, welcoming all the students back to their homes. The Principal also throws light on the growth of the institution and the achievements over the previous year.
