Social service, also called welfare service or social work, **any of numerous publicly or privately provided services intended to aid disadvantaged, distressed, or vulnerable persons or groups.** The term social service also denotes the profession engaged in rendering such services.

As a Part of CSA activity, in order to imbibe a sense of awareness among students regarding the various social issues, an attempt was made to instil in them a sense of love and care towards the animals.

The main aim of this visit to make the students understand that the animals are also a part of the society and they also need to be taken care of.

To teach them the true meaning of CARE, they were taken to CARE

DETAILED REPORT ON VISIT:

On the 21st July 2022, at around 8.30 in the morning, all the student volunteers along with the CSA coordinators Prof. Anusha and Prof. Victoria, from the school bus went to an Animal Care Centre called Charlie's Animal Recue Centre, Yelahanka and reached there at around 11.00 AM.

Charlies Animal Rescue Centre – CARE is an animal shelter established in January 2013 with the aim of providing timely medical aid to injured and ill animals of the street in Bangalore city.

They aim to provide lifesaving veterinary care on par with private veterinary setups to all animals, irrespective of their ownership status.

CARE has a rescue helpline, animal ambulance services and a fully equipped veterinary trauma care unit.

No animal left behind is their main motto.

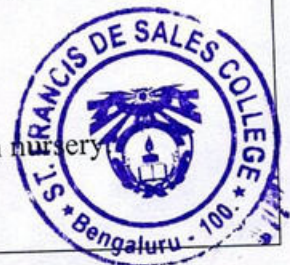

CARE strives to provide dignity to animals, who are old, blind, paraplegic & suffering from chronic diseases and allow them to live out their lives at the shelter in a safe & peaceful environment.

CARE is home to many dogs, cats, rabbits, ducks, hens, pigs, guinea pigs, birds and terrapins.

Apart from rescue & shelter services, CARE also provides adoptions, humane education in schools, animal cruelty prevention & control and volunteering opportunities.

CARE Shelter Facilities

- Helpline & Ambulance service for animals in distress from 9am to 5pm.
- Inpatient facility for sick and injured animals
- A fully equipped medical unit with OPD, Operation Theatre, X Ray, Scanning facility and Laser Machine.
- Housing, rehabilitation and re-homing of abandoned animals
- Adoption of pups, kittens, dogs, cats, rabbits & guinea pigs.
- An exclusive Cattery with a separate Cat treatment unit and kitten nursery.
- Holiday Boarding facility for dogs and cats.

The students had a nice time spending with those animals there. Mr Keerthan took us a tour of the entire shelter and explained to us the trauma faced by those animals. Few of the animals there are very scared of human beings due to the torture they had faced. The main job of the shelter is to provide with medical care to these distressed animals.

It was a nice experience to all the student volunteers as well as to the Professors. Around 12 in the noon we left from there and reached college at around 2.00 pm.

Thus the visit ended with beautiful memories.
