Report of Peer Learning

Inter Departmental activity was conducted on Peer learning was an activity conducted on 3rd March 2022. The activity was moderated by PROF. Devichandrika S, PROF. Ashwini C and PROF. Rakshitha G.

Students from various departments had taken part in this activity. The activity was Short Film making. Keeping the ongoing pandemic situation in mind, the theme was chosen on that. The theme was Short film making on "Impact of Pandemic on students". The objective of the activity was to bring out the talent of the students towards understanding a topic and video making. Also the usage of the technology in video making.

Theme was taken on the ongoing pandemic as all the students were having online class and went through many phases. So we wanted students to filter out the impact on them due to pandemic and to film it in their own way. Students have shown good response towards the activity. Students from all the departments have taken part in the competition. Keeping in view certain criteria's the judgement was given and the winners are announced.

Electronics City P.O., Bengaluru - 560 100
