TARGET AUDIENCE-FINAL YEAR B.COM STUDENTS

Career orientation is crucial in helping students make informed decisions about their professional journeys. This report provides an overview of the key components involved in guiding students through effective career orientation.

The workshop's main objective was to offer students a chance to learn from professionals, gain valuable insights into various career paths, and receive practical tips for navigating the job market. The event was organized by Bangalorestudy.com, a certified educational portal that guides selecting the right career path based on individual interests. During the workshop, students had the opportunity to participate in a variety of activities, such as a student speaker series, panel discussions, interactive sessions, a career expo, and question-and-answer sessions. The resource person tailored the discussions to each student's interests and provided information on possible career opportunities. The workshop was well-attended, and the students greatly benefited from the experience. By enhancing their knowledge of career paths and creating a supportive and informative environment for career exploration, the workshop had a positive impact on the students' understanding of the job market and the opportunities available to them.

Outcome of the workshop

- Increased self-awareness for students
- Clarified career goals
- Improved decision making skills
- Enhanced knowledge about career selection
- Understanding the job market
- Awareness about career development resources.
