Evidence of success:

Even before the Pandemic, various programmes and sessions were held keeping in mind the importance of Health. At SFS we continue to hold at least one such programme every year to benefit the students, faculties and non-teaching staff who are associated with the college as we want to improve **Health** of each and every individual which we consider to be the **Wealth**.

During Pandemic online sessions related to Health and Hygiene were held to meet the objectives of **HEALTH FOR ALL** practice.
