## DEVELOPING MINDS – STUDENTS’ NATIONAL SEMINAR

*‘Every practice was a learning process’* -Kanniks Kannikeswarn

St. Francis de Sales (SFS) College always provided a platform for the all-round growth of students and prepare them for future-ready. In this regard to equip students with presentation skills and research propensities, the college had started with Weekly Seminar presentation for the students in 2014. The practice of Weekly Seminar was upgraded to National Students’ Seminar in 2015. Students’ National Seminars not only attracted more students from our college but also we noticed a steady growth in the number of participants from various colleges.

The total number of student participation in the Students' National seminar year wise.

**Success Stories:** Students gained confidence in presenting papers in National Seminars and conferences and brought laurels to the college. It was a motivating factor not only for the students of our college but also for many students of various other colleges. There was considerable improvement in their research interests and presentation skills which lead a few students even to publish their seminar papers in reputed journals.

‘All the best ideas come out of the process; they come out of the work itself’. The Best papers presented in the Student’s National Seminar were collated and published under SFS College Publications.

## ICT AND ONLINE SKILL DEVELOPMENT PROGRAM

St. Francis de Sales (SFS) College firmly believes the dictum *“If we teach today as we taught yesterday, we rob our children of tomorrow.”* – John Dewey, and strives to provide better facilities to our students. In this context, Information and Communication Technology (ICT) is an important focus for education at St Francis de Sales College. The College effectively integrates formal teaching and learning with modern technologies. The college has steadily invested and enhanced the ICT facilities in the college to meet the requirements of ever-increasing student strength, frequent changes in the curriculum, rapid development and adoption of technologies in the field of teaching and learning in the higher education and IT sector. In addition to the various ICT Facilities provided by the college, it has stepped forward by integrating Skill development through ICT. SFS College started with ICT classrooms in 2014-15 and today all the classrooms, seminar halls, conference rooms and the auditoriums are ICT equipped and WiFi-enabled.

In the academic year 2017-18, SFS has started with Online Skill development courses for the following courses.

1. Document Creation - Microsoft Word
2. PowerPoint
3. Spread Sheet -Microsoft Excel
4. Public Speaking
5. Work Ethics in Life
6. Enhancing reading skills.

Students use their mobiles or laptops to participate in these Online skill development courses.

As quoted 'well begun is half done' the journey continues with many more courses added. [CLICK HERE](#) for the details of the students who have completed the skill development courses for 2018-19.
