## Placement Training Session

Date: 22<sup>nd</sup> and 23<sup>rd</sup> January 2021

Venue: Conference Hall

Organised By: Placement Cell

Resource Person: Ms. Roopa

The Placement Cell of St. Francis de Sales College aims at making available quality placement opportunities for the students and Alumnies of the college. It acts as an interface between the students of the college and various companies that come for recruitment. The placement cell maintains a constant contact with its students through its Blog, Facebook page and also sends the students regular mails notifying them about the companies that would be visiting thereby encouraging them to apply for the recruitment procedure.

On 22<sup>nd</sup> and 23<sup>rd</sup> January 2021 Placement cell of SFS College organised a placement training session, for the college Alumnies. The session was conducted by Ms. Roopa from Alpha tech training and placement institution.

The following are the main highlights of the MOUs with Alpha Tech institution:

1. Maintaining regular interaction with the industry through Seminars, Guest Lectures, Conferences, and Corporate Meets etc.
2. Planning and organizing On-Campus as well as Off-Campus recruitment activities
3. Providing assistance to the students for completing summer training projects
4. Providing requisite training to students in the area of Personality Development and Communication Skills
5. Developing a database of students and presenting their curriculum to various industries
6. Providing management consultancy for students live projects
7. Organizing Inter-Cultural exchange with other institutions and industries
8. Providing placement assistance to college Alumnies.

At present, the competition for employment is increasing every day and placement has become a challenging task. Training of students and equipping them with life skills has become an important responsibility of the institution. Along with technical expertise, development of a holistic personality is also necessary. To meet out these requirements, a fully-fledged training session has conducted by the Alpha Tech in our college to enhance the capabilities of engineering graduates on par with the industry standards.

**Objectives:**

The prime objective of the Training Cell is

- To look for 100% employment for all students.
- To recognize the core competencies of the students.
- To train the students to meet the expectations of the industry through our Career Development Programmes.
- To build confidence in students and develop right attitude in them and
- To enhance their communication skills.

**Training Activities:**

- Create awareness about "career planning" and "career mapping" among the students.
- Equip the student with life skills.
- Train the students on "Personality development".
- Organize Various Training Programmes to train the students in the areas of Quantitative Aptitude, Logical Reasoning and Verbal reasoning through the reputed external training organizations and in-house trainers.
- Train the students through Mock Interviews to perform well in the professional interviews as per the expectations of the corporate world.
- Train the students on group discussion techniques
- Conduct online tests and written aptitude tests.
