Nitya Infotech Private Limited Company had a walk-in drive on our campus on 21st July as we know that this company deals with IT services, consulting services, infrastructure management services, enterprise application services, staffing and outsourced payroll services, and many more.

Established in 2006, Nitya Infotech Corporation is the fastest growing IT Services Company. Our services span from Application Management Outsourcing, Packaged Application Services, Verification and Testing, Remote Infrastructure Management, Product Development and Support, to higher value-added offerings including Managed Platform and Product Engineering Services. We have presence in 40+ countries. Our Headquarter is located at Plainsboro, New Jersey, United States of America. We have a strong presence in USA, Canada, UK, Germany, France, Spain, Italy, Poland, Ukraine, Turkey, India, Australia, New Zealand, Japan, Korea, Hong Kong, Taiwan, China, Srilanka, Macau, Singapore, Malaysia, Thailand, Philippines, Indonesia and Vietnam. We have a highly skilled global workforce of 21,000+.

It was a great opportunity given to the students to take part in the walk and Drive interview and they also got a brief knowledge about IT services. The company arrived in campus at 10:30 AM and conducted an orientation session for the students which gave detailed knowledge of the company and the job role after the following rounds were conducted Aptitude test, group discussion and HR interview.

In this drive, around 120 candidates participated in the campus equipment Drive, out of which 29 candidates has been selected. Overall experience and feedback of Nitya Infotech Private Limited recruitment team was very positive as the need of their organization to search the right talent to drive its business objectives were fulfilled by the students and the campus recruitment drive conducted by the college.
