Report on Career Guidance: Career after Graduation

Date: 08th October, 2018.

Venue: Auditorium

Conducted By: Mr. Sashi Kumar- Alpha Tech

Organised by: Placement Cell

A Career Counselling session on "Career Guru" a steppingstone after UG was conducted for the students of B.Com, BBA, BCA, BSc and BA by Alpha Tech to bring awareness about, employers, educators, policymakers, training organizations, and others.

With the advent of the Fourth Industrial revolution, career paradigms are fast evolving and Protean and Boundary less careers are becoming a reality. Increasingly individuals are taking responsibility of their own careers with continued learning and pursuing multiple career paths and roles in a lifetime. Organizations are also increasingly becoming agile and shifting to a network of dynamic internal teams. Flexible and open career models rather than a static career progression is fast becoming the new normal. There is an emerging need for organizations to provide support to individuals as they traverse a more dynamic and complex career maze.

Career guidance is the guidance given to individuals to help them acquire the knowledge, information, skills, and experience necessary to identify career options, and narrow them down to make one career decision. This career decision then results in their social, financial and emotional well-being throughout.

Having recognized the critical importance of tackling the skills gap, this session on career guidance focused on aspects of career planning, job opportunities and provides a direction in choosing right jobs. It brought about awareness on different jobs for students to help them choose the right career path based on their interests and capabilities.

SFS as an institute, works towards enhancing the individual and institutional culture to better turn out graduating students with appropriate attitude, capability and temperament to serve

dynamic needs of the community. For people who find it difficult to realize the right career

available to choose from, and without an expert's proper guidance, one might stick to a few that his/her friends or relatives ask him/her to pursue.

An informed career guru makes one aware about the scope of every career option in detail, which widens the horizon for the student. For people who think they are clear on their career paths and have attained enough clarity to work towards a chosen career option, career guru ensures that they achieve their goals without any distractions. The practice of continuous and improved career guidance serves to achieve the following:

1. To broadly explore various career options.
2. To enable students to select appropriate higher education program
3. To identify and facilitate the student to choose a career path.
4. To impart oral, written communication skills and positive body language.
5. To provide a platform for gaining knowledge on various competitive exams.

Students gained immense knowledge in the session and gained the much-needed career decision support required for them to plan their careers, skills and transitions. They also understood that A career guru not only helps a student decide the career route, he/she also guides the student about the path, maps his/her career, helps him/her clear the confusion and distractions coming along the way.

Objectives of the Practice

The practice of continuous and improved career guidance serves to achieve the following objectives,

- To broadly explore various career options. The practice helps the students to think of various forms of careers that can be taken up by them after completing the graduation
- To enable students to select appropriate higher education program after completing the undergraduate program
- To identify and facilitate the students (with a desire to explore entrepreneurship) in making them aware of the necessary resources (Process, Technology and Enterprises) needed to explore entrepreneurship as a career path.

- To impart oral and written communication skills and knowledge essential to successfully navigate the placement process.
- To provide a platform for gaining knowledge on various aspects relating to civil services examinations along with Interaction with some already successful.
- Students were benefitted on How to choose right carrier after completion of UG programme?
- Thus session throw light on career counselling and guiding students in exploring opportunities for life.

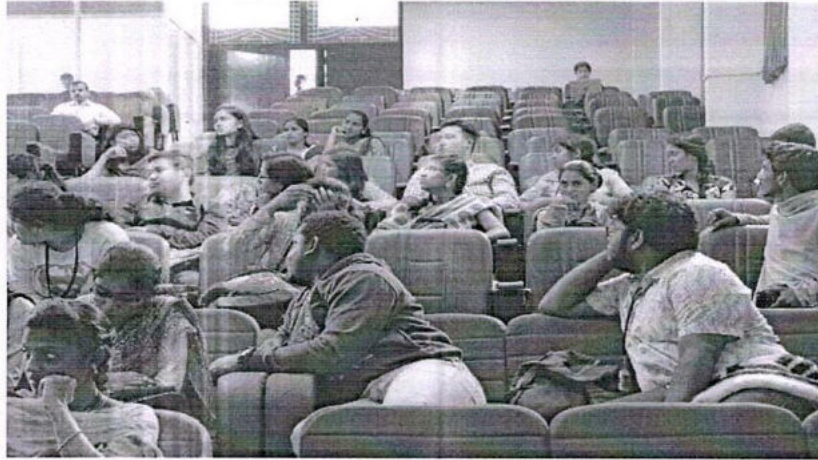

- This session on career guidance focused on aspects of career planning.
- Provides a direction in choosing right jobs and career.
- To provide a platform for gaining knowledge on various competitive exams
