Objective:

The objective of conducting the guest lecture for students is to understand and awareness about career opportunity and Contemporary Areas in Business, Startup Business - Idea to reality and to create awareness about how to become a young entrepreneur And also, their future education courses.

Introduction:

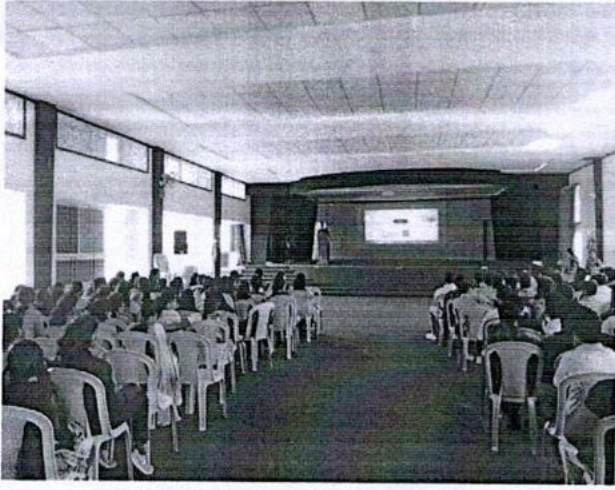

The door of opportunity will open only when you decide to step outside the door of your comfort zone" - Kylie Francis This session was started by Dr. Swaminath with the above quote. This session is an experiential learning-based program for students to understand the lot of career opportunity after BCOM and how to became motivational person or how to invest money and gain money- these ideas is for young entrepreneur and they understand to explore the ideas as a part of Experiential Learning was conducted as Infinity program for V semester All the B. Com students, to create awareness about Career Opportunity. The session was very attractive and very useful for the students as they got an idea about skills and interests to show them in future and they got information about VUCA means volatility, uncertainty, complexity and ambiguity xleats expisined by the resource person. Students can decide their ambition after this

The career opportunity program was conducted by using the PPT in screen. Students get many ideas after B COM, they got clear picture about the things to do after their Degree and this seminar programs given awareness the many courses after BCOM for students like higher studies and weightag for their resume. The session was cd terms of enhancing the skills of students and improves their knowledge on higher education as well as career guidance. The resource person has explained the benefits Post graduate courses after ll com degree. He explained the job opportunities after compliation of B.com degree as well as explained the concept of business startup if students was become entrepreneurs. And he has explained the concept of digital marketing and its benefits to the society. He narrated that business is not only meant offline business and so many online business are available in the market, students have to make start of it

Outcome of the activity

The students of final-year V SEM BCOM learned about many courses after BCOM and career opportunities after BCOM, the session was very interactive, students are very interactive and showed their active participation to understand the program. The session was very helpful and enriching for students in terms of understanding the CAREER OPPORTUNITIES IN YUCA WORLD. The management decides to keep such seminar in future days by the request of the students.
