A FRANSALIAN INSTITUTE OF HIGHER LEARNING

Title	Group Discussion (Examples of Mathematics connections to Daily life)
Date of Event(s)	18/04/2023
Department	PG Dept. Of Mathematics
Venue	PG005
Number of Participants	27 Students
Event Coordinator	R Shanmugapriya

Objective of the program :

Group Discussion serves several purposes:

- Collecting data
- Breeding fresh ideas and taking inputs from a particular group
- Perception of common people on a particular topic
- Identify a solution to a specific problem or issue
- Selecting candidates after their written test for hiring in a company
- Selecting candidates for admission in an educational institute

Outcome of the program :

1. It is a good way to engage the participants in a fruitful discussion.
2. Group discussion generates a creative thinking in all participants.
3. Generate more ideas and a structured presentation of a topic.
4. Improves analytical abilities to think on a particular given topic.
5. Enables profound and in-depth understanding of the subject.
6. Provides different approaches to a topic.
