The objective of the Program:

- One of the major objectives of the program is to bring in and make students understand the various subject matters in different perspectives.
- To create and engage interest in new area.
- To synthesize information across a range or variety of materials.

The Department of Humanities in association with Research and IP Cell organized INFINITY- One Week Guest Lecture series on the 20th of April 2023. The lecture was based on the subject Political Science with the topic “**POLITICAL COMMUNICATION IN THE DIGITAL ERA.**” The resource person for the day was Mr. Sachin Tantry who is a Media and Political Consultant and Trainer. He is currently working as a communication consultant with Bangalore Political Action Committee. His session was based completely on how politics turns during the digital era. He majorly spoke and stressed more on the elections and the processes that happens throughout.

He started off by an activity by asking students the famous leaders of various states which has instilled an insight among the students. The session focused on the connections that happens within the politicians and the citizens, the campaigning that happens both online and offline. During this digital era, the communication has become even more easier to connect with the public.

Since he is working for B.PAC, he spoke of the working procedures during the elections and the flow which they follow. At the end, he spoke about the importance of every citizen to vote and use the right to choose the right candidate.

The outcome of the program:

- Students gained and learned more insights on political communication and its connection in the digital era.
- Students gained a lot of educational experience based on the reality/ real- life experience.

About St. Francis de Sales College

St. Francis de Sales College is managed by the Missionaries of St. Francis de Sales (MSFS) of the South West India Province, who firmly believe that 'the education of the heart is the heart of education' as propounded by its founder, Fr. Peter Marie Mermier. The College is named after St. Francis de Sales, the patron of the MSFS. At present, the College offers BSc, BA, BCom, BBA, BCA, MCOM, MSc and MA. The College also runs an Evening College to cater to the working youth and to educate them. The College has obtained the 2(f) and 12(b) recognition under the UGC Act of 1956. Now with all these new programmes introduced, the College stands ready to become an autonomous college in the near future.

About the Department

Bachelor of Arts (BA) is a three year under graduate program under Bangalore University spanning over six semesters. It follows triple major system where in students study combinations of History, Economics, Political Science, Psychology, Sociology and Journalism. The three-year program paves way for taking up further postgraduate programs in these fields and to enter into the field of research or corporate and social contribution. This course completely focuses on areas of Humanities, Social Studies and Liberal Arts with a variety of specializations. The department of Humanities works with a vision to inculcate the interest of interdisciplinary learning in younger generation and mould them into lifelong learners and promote them as catalysts of transformation of the society

About INFINITY 2023

INFINITY Guest Lecture Series focuses on nurturing the research culture among Post graduate as well as graduate students. Infinity is a platform for the students and faculty members of the department to refresh themselves with the trends and applications of the dynamic world of research in various disciplines through persons who have proved for their expertise in their respective field of study.
