puzzle were also conducted to help students to acquire knowledge about E-waste and its management. The second objective was to promote the importance of science in Higher education.

A total of 15 students from science department formed a team and planned the schedule and content to be delivered with the help of staff members . Students had a good experience interacting with the children of Shree Ananthnagar Vidhyaniketan school. From this session school students got an awareness on E-waste management and it's disposal and at last school students contributed to e-waste drive.

We would like to thank our principal Rev.Dr.Roy ,vice- principal Rev.Fr.Jijo jose ,Head of the Department, coordinator and Management of SFS College for their constant support and guidance.

Report

The Department association of electronics, IC Club organized e-waste awareness programme for college students on 5th August 2021 at 11:00 am. The e-waste management programme is one of the best practices of the department which was inaugurated on 30th January 2021. Initially the activities of the club aimed in collection of e-waste and spreading the awareness among the faculty members and students of the department. Later on the programme was extended to the entire college and further to entire campus.

The e-waste management programme took a new face with its hands extending outside the campus through the online awareness programme conducted for school children. Dr. Nebula Murukesh, Coordinator, Department of Science gave an introduction to the programme. Sr. Josmin Lizbeth introduced Prof. Smrutee Markhedkar, Resource person for the programme. Later on Prof. Smrutee took over the session. Prof. Smrutee explained to the students on the relevance of e-waste management and what is the importance of such programmes.

The students were also asked to bring the E-waste from their Home, majority of the students have given the various types of E-waste like CPU, Mouse, Unused Monitors and also UPS. The activity initiated helped the students to know, how it is harmful to the environment and why it should be disposed carefully.

The collected E-waste has been handed over to the respective persons to Re-use.

Report on E-waste management programme

The Department association of electronics, IC Club of Department of Science initiated the e-waste management programme on 30th January 2019 in the department as a best practice. Later on it was extended to all departments through poster and oral campaign by student members of IC club.

As part of extending this programme to entire SFS campus, members of IC club along with Prof. Smrutee Markhedkar, Head, Department of Science, Dr. Nebula Murukesh, Coordinator, Department of Science and Mr. Shaik Shavez Ahmed, Lab instructor went to De Sales Music Academy and collected e-waste from Mr. Priyabrata Goswami (Priyo), Programme coordinator and Tabla teacher, De Sales Music Academy. The organisers assured the members of the academy that the e-waste collected as part of this programme will be recycled and reused.

The Following faculty members and Students went to collect E-Waste

1. Prof. Smrutee Markhedkar,
2. Dr. Nebula Murukesh, Coordinator
3. Mr. Shaik Shavez Ahmed
4. Praveen kumar V
5. Anil Joseph
6. Mariya
7. Anand
