The objective of the Program:

To teach the postgraduate students about the emerging trends in research. And to encourage the students to adapt the new techniques in their research work.

Report:

To acquire knowledge, one must study; but to acquire wisdom, one must observe. This observation leads to research. Academic success depends on Research and publications. It is very important for the post graduate students to learn the importance of social science research and also the emerging trends in social science research, without which they can't go ahead for the next step of the growth in their field. In order to provide the guidance regarding the emerging trends in research to post graduate commerce, Economics and Management students, Infinity Guest Lecture on "Emerging Trends in Research" has been conducted on 17th February, 2023.

Dr.K.Siva Murugan was the Resource Person for this event. He is working as an Assistant Professor in the Department of Commerce at St Claret College, Bengaluru. He has 7 years of teaching experience in different reputed colleges. She has completed her Ph.D cleared NET exam. He is guiding PG projects and is doing funded project.

In this Infinity Guest Lecture the Emerging trends in social science research was explained well. It was an interactive session. Students learned many new techniques which they can adapt in their research work. Many doubts of students were cleared by the resource person. At the end of the program the question answer session was conducted. This was a fruitful session for post graduate commerce, economics and management students. The program ended at 10:30 am.

The outcome of the program:

In this program totally 106 post graduate students of Commerce, Economics and Management departments participated. They got the information about the Emerging Trends in social science research and the importance of doing the social science research. All the students were motivated to do the research in their familiar field. This program gave the great chance for all the students to clear their doubts regarding their research work.
