**Objective:** The main goal of the session is to raise students' understanding of the skill sets needed to get job.

On December 21, 2022, the Post Graduate Department of Commerce organised a session on employability skills for M.com students. The main goal of the session is to raise students' understanding of the skill sets needed to get job.

On December 21, 2022, the Post Graduate Department of Commerce organised a session on employability skills for M.com students. The main goal of the session is to raise students' understanding of the skill sets needed to get job.

Prof. Suma, an assistant professor at FullinFaws College, was the guest speaker. She belonged to the department's alumni. She received a gold medal for earning the top grades in the area of strategic cost management. She had two years of college experience. Her interests are in accounting and finance.

The guest speaker was briefly introduced before the event got started at 10 am. She emphasised the many skill sets needed to find employment right away. She discussed the technical and non-technical skills required to accomplish the goals of an individual.

She shed light on the value of good communication in the workplace as well as decision-making, problem-solving, goal-setting, critical thinking, and goal-setting.

She gave a motivational speech and demonstrated to students how to accomplish goals using real-world examples. She described how, soon after graduating, she rose to the position of assistant professor.

**Positive Outcome:**

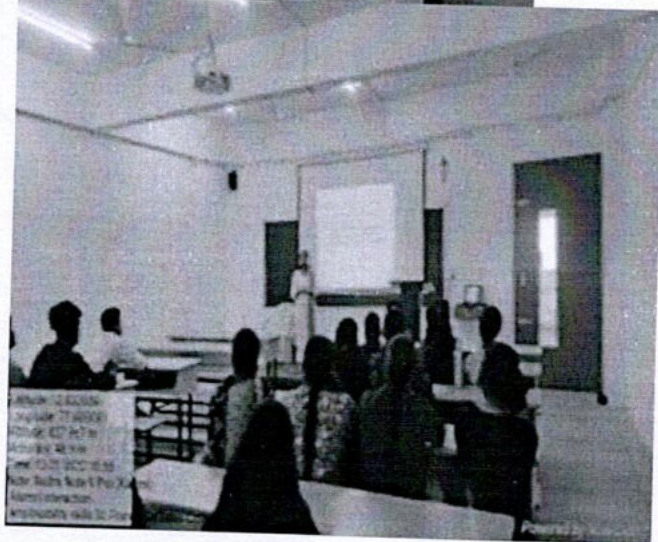

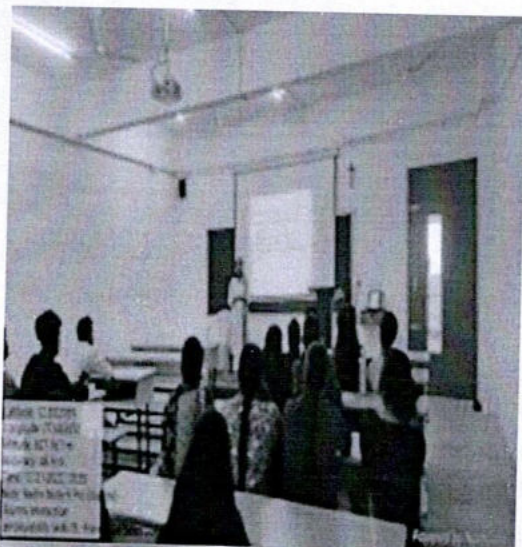

The objective is to inform the students, the skill set needed to find employment. Students were motivated by the session and learned how to develop and accomplish goals. The session highlighted the value of non-domain skills in achieving success.
