Mr. Pradeep the Program manager of Placement Department., Karnataka explains about importance of carrier guidance on self-employment the Program manager of Placement Department explains about importance of carrier guidance on self-employment.

OBJECTIVES OF THE COURSE

1. Fostering Better Communication in Organization
2. Assisting with Career Decisions.
3. Better Use of Employee Skills.
4. Setting Realistic Goals
5. Creating a Pool of Talented Employees.

Awareness Workshop Introduction:

Career guidance plays a very important role in the lives of all individuals, as it helps in setting future goals and chooses careers. Career guidance is much needed service to those who did not plan for their future at an early stage; more should be done to assist the younger generations in personal career development. When UG students have a clear understanding of the best career choices for them, end result is better planning, more college enrolments, and a more productive society for the future. For this, Placement Department. Is playing an important role by conducting career guidance seminars to the college students.

Action Plan:

In this workshop we have planned to make students understand different career opportunities, procedure to appear those careers, different competitive exams and also planned to make them to understand the importance of having goal and passion and hard work to achieve the desired goal. For that we have involved some social games and shown motivational video clips to the students who all were participated in the workshop.

Analysis of Action Plan:

1. Introduction activity:

This game we involved in the workshop to make them clear about the networking and the importance of knowing some necessary details of each person whom we meet in our life. Students were actively involved in this activity. And they understood the basic theme of activity. This activity helped facilitators to build rapport with the participants and also get good and active attention from them. Meanwhile participants got clear information about the services of Placement Department for the students.

2. Career Interest Test:

As we explore career, we should know what skills, talents and personality traits you bring to the workplace. This assessment helped students to understand and discover what they like and what they dislike, what they're good at, and how well their interest match up to different careers.

3. Career Guidance seminar:

This is the core part of this workshop this session mainly handled by the Mr. Pradeep the Program manager of Placement Department., Karnataka and has experienced in career guidance field since a year. The session was very interactive; students were very attentive and asked questions and clarified the doubts. In this session resource person has covered many career options which all Arts, Science and Commerce can appear and also the separate courses for each stream. Along with this session we involved one more activity to make students to understand the importance of Concentration and how we can tackle with the outside disturbances. In this activity all were active and there was healthy competition among the participants who all involved in it.

4. Motivational Video:

This was the last part of the workshop. The main theme of the video is to make participants to understand that only having goal is not an achievement but also we should have the passion, hard work and continuous effort to achieve the desired goal.

5. Printed Materials:

After the session the recourse person have provided the kit and photo copies of reading material to all the participants. The kit which provided to students was involved the detail information about the road map of career and different competitive exams and contact no. of Path Motivation Centre helpline and others.

Conclusion:

One-day workshop was there for the students who are all involved in the training organized by the SFS and participants were really good.
