To

The Principal,
St. Francis de Sales College,
Bengaluru-100.

Respected Sir,

Sub: Suggestions and Recommendations on curriculum

1. Relevance of curriculum in work environment

Curriculum is apt for the students to get prepared for the work environment in various companies. The curriculum includes subjects to give knowledge in certain aspects course wise. However, the additional aspects of discipline, public speaking, etc have added more to the candidature.

2. Students knowledge beyond syllabus

Students have displayed a good amount of skills in various aspects of their work. All the credit goes to the value added, certificate & ad-on courses given in their UG course apart from their regular syllabus.

3. Updation in latest technology

Students are well equipped with the latest technology in terms of computer, mobile & applications. The nuances of the technology are well known by all the students of SFS college who work with us.

4. Any other suggestions / comments

We would like to suggest more internships to students. Also suggest to add more cooperate connect events which will helps to reduce the Academic --Industry gap

Raphael
