The objective of the Program:

In the era of modernization and westernization when most of the people are moving away from their own culture and history, events like Ethnic day enable the young generation to revive love and respect for their own culture and history.

Ethnic Day is marked to celebrate different cultures and ethnic communities. The special day helps people to reconnect with their traditional and cultural roots. It also reminds people of the true essence of age-old customs which have helped shape civilisations around the world.

On 27th May, St Francis De Sales College celebrated Ethnic day. All the students and faculties were dressed up in their traditional wear. The energy level was quite high as international students donned in ethnic attires participated radiating enthusiasm and passion.

On behalf of this day, a quiz on Indian traditions and culture was conducted. All the students participated and scored well. The quiz was conducted online and students were able to track and compare their progress on their quiz

The outcome of the program: It was indeed a pleasant break from the monotony and the subtle major impact- the feel good factor had a very favourable effect. The students also learn more about their traditions and cultures during this quiz time.
