health inspector Anandappa about positions and programs of CMC. Students and Asst. Professors went by walk to the venue and reached 12pm. From 12pm to 1.30 pm students engaged with doubt filling sessions like the functions of cmc towards environment development and population control, procedure for sewer construction, street light repair or installation etc. Debate formed like corruption opinion by officers, road deep potholes, shallow potholes edge failure, cracking, and crazing will not be repaired very soon and if high post positions of the state political system wanted to enters the road, then the work process will be attained very soon and the flow of information given by officers Including Hebbagodi ward councillor Krishnamurthy was genuinely replied without the ambiguity. At the same time and same venue, the waste management part NGO with the tag KASA MUKTHA HEBBAGODI demonstrated students about the separation of waste and use of giving waste to the BBMP vehicle with the proper separation. For good health-managing waste, hazardous waste must be in a safer place and students got to know the importance of managing the waste through their beautiful demonstration. It was a Real time with the organization. All over it was a great move.
