Event Coordinator	Dr.Mahesh NV

### Report on Poultry Farm & Poly House

#### Objective:

A field visit was organised as a part of Extension Activity conducted from the Department of Economics on 27<sup>th</sup> February 2023. The event was aimed to create awareness on challenges and opportunities of poultry.

The students of I and III sem MA Economics students visited the poultry. Students were actively involved to know techniques and methods of poultry farm. The event was planned by communicated with poultry farm owner orally at Kachanaikanahalli, Anekal. Prior notice given to the students about this event..

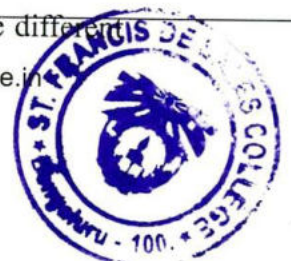

At the college, around 9.00 am, students assembled at the campus. Taking the note of the all the students present in the college campus were instructed accordingly to maintain discipline. Total of 04 students with the faculty of Economics were accompanied the students to the destination. The destination was reached around 10.30 am. Soon after that, the owner of the poultry farm Mr. Meghadarshan addressed the gathered students and gave information about

Poultry farming, he explains about egg layers and broilers. Both these groups have different

food requirements according to their farming purposes. Since broilers are raised for meat, they are fed with protein and fat-rich food. Vitamin supplements help them for a good growth rate. Further he explains about producers to avoid death and other infectious diseases. The egg layer's rations are rich in vitamins A and K which help in more egg production and Disease Management as well as marketing strategies. Students were asked many questions related to marketing, feed, cost benefit and get clarification from the farm owner. After that we left the place around 1.30 pm and reached the college at 2.00 pm.

**Positive Outcome:**

The field visit helped the students to get deep incites about poultry farming by using modern tolls and techniques .the field visit motivated the students to do their own small scale business and capable of analysing new skills and recent trends in poultry farm It also motivates the students who want to become entrepreneurs.
