REPORT OF FIELD WORK

Title	FIELD Visit to UNIBIC Factory
Date of Event(s)	4 th July 2023
Department/Association/ Cell/Committee	Department of Business Administration (UG & PG)
Place of Visit	UNIBIC Factory, Nelamangala, Bangalore
Number of Participants	213
Target Audience	First and second years BBA(A&B)

Event Coordinator	Prof. Geetha P S & Prof. Sonia Ashok
-------------------	--------------------------------------

The Objective of the Activity:

This visit was for the awareness of the students on the production and Automation process of the company. A chance to meet industry experts. To provide an opportunity for students to see and experience real workstations, plants, machines, systems, assembly lines, and interact with highly trained and experienced personnel. This practical learning experience is necessary for students who must update the real production plant's daily workings.

Report:

Students were accompanied by Prof Sonia Ashok and Prof Geetha P S the bus departed from the college at 8:45 am and reached the UNIBIC factory at 10:00 am.

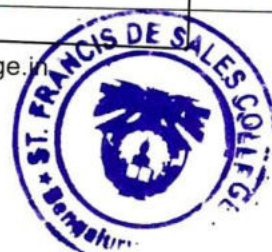

Students visited the Processing Plant, Packaging Plant of Biscuits and cookies, where they got a chance to see the inside view of the factory where right from the dough (the first input) to the last stage i.e., packaging and how each step is performed mechanically. The students were also taken to the packing department. In one minute, thousands of products can be manufactured by an efficient machine. The environment inside was aesthetic, pure, and hygienic. The UNIBIC products are economically so affordable that they are marketed even in the remotest part of the country.

During Processing and Packaging Plant visit, students made the following observations to understand the processing.

- Making dough by mixing the ingredients

- Process of fermentation
- Giving the shape
- Baking the raw biscuits
- Testing quality
- Packaging and supply

Further, Mr Sanath, the Manager, who was the coordinator at UNIBIC guided students during the Visit. He displayed a documentary film on UNIBIC factory explaining the working of the plant and gave an insightful presentation related to the working of the plant and its production including the automation of the plant which follows the highest hygiene standards. The documentary was enjoyed a lot by the students. He also described the diversified functions of the company in a nutshell and throw light on the market share of the product as well. The visit ended with distribution of complementary gifts pack for students. Students and staff reached the college at 1:30 pm.

The Outcome of the Activity:

Overall, the visit was highly interactive and a great learning experience for the students on the concepts related to production and operations within a manufacturing plant. The combination of learning while having fun was made possible by seeing the assembly process in person. Students expressed their gratitude to Mr Sanath, Manager to provide such an opportunity to enhance their knowledge.
